How Photo Day Works

1. Select the type of fund raising/commission plan.
2. Schedule a date for photo day.
3. We will send order forms two weeks in advance.
4. Forms go to the parents one week before scheduled date.
5. We come to your location and take the photos.
6. Photos are delivered in less than three business weeks.

We create a unique photo day experience.

We have professional backdrops that are professionally lighted to give you the quality you deserve.

We set up a system that is roped off to keep teams organized. This system provides a safe and controlled environment and will ensure a smooth photo day.

Each photographer will have a photographer's assistant to keep things running smoothly. A customer service representative will be available to answer questions and display our large variety of products.
